NOTES FOR FITTING

15 bikes to rent: 11 standard + 4 e-bikes. Mindaugas brings his own bike, so the riding group is 16.

Darius: answered yes to a health condition relevant to riding but gave no detail, to be confirmed before the ride.

Sherman: knee injury, rehabbing, expects to be ready; he is the latest to confirm so treat his slot as soft.

Ashwin: converted from imperial, 5 ft 7 in / 140 lbs (170 cm / 64 kg).

Stefan: gave no height, specified frame size 54 cm directly, please honour the frame size.

Heaviest rider 104 kg (Bunmi): please check the load rating on the allocated bike. E-bikes should be fully charged for the 80 km route.
